ENVIRONMENTS**

# **MOVING SALE!**

It has long been our plan to create a design center in Chesapeake that mirrors our design center in Virginia Beach.

Until we can find the appropriate location to suit our design plans, we have decided to operate exclusively from our *Electronic Lifestyles by Domes* Design Center in Virginia Beach.

**Come help us move!** Rather than transport and warehouse our duplicate inventory, we are having a Moving Sale during the month of February. Now is your chance to get **INCREDIBLE DEALS** on our floor demos, furniture, cables, overstock inventory, decorator items, and more.

**Hurry in before the best deals are missed!**

Domes is celebrating our 30<sup>th</sup> year, and we are planning great things for 2010! Ensure that you are on our mailing list to receive invitations to our events, private sales, and more. Go to <http://www.domesav.com/contact-us.php>.
